Mama always said that the early bird gets the worm.

Who cares about worms? I'm applying early so I can get a scholarship.
SCHOLARSHIP OPPORTUNITIES

- John L. Green Scholarship (Undergraduate)

- District of Columbia College Access Program List of Scholarships

- Maryland and Washington D.C. General Scholarships
  - Maryland
  - District of Columbia
INTERNERNSHIP OPPORTUNITIES

Ways to find Internships

- Faculty
- Website
- F.Ex.O
- Other Students
- Annual Poster Session
NIH Summer Internship Program In Biomedical Research
- Internships cover a minimum of eight weeks, with students generally arriving at the NIH in May or June. The NIH Institutes and the Office of Intramural Training & Education sponsor a wide range of summer activities including lectures featuring distinguished NIH investigators, career/professional development workshops, and Summer Poster Day.
- [https://www.training.nih.gov/programs/sip/](https://www.training.nih.gov/programs/sip/)

Johns Hopkins University Center for Computational Biology Summer Internship
- The internship program will provide you with hands-on research experience as part of ongoing research projects with bioinformatics and genomics faculty in the Institute of Genetic Medicine.
- [http://ccb.jhu.edu/internship.shtml](http://ccb.jhu.edu/internship.shtml)

MedStar St. Mary’s Hospital Internships
- The Student Intern performs copying, filing, receptionist and other duties to support work production in various departments as assigned. The intern assists staff by performing non-patient care related functions.

INTERNSHIP OPPORTUNITIES

- **LAUNCH Summer Program**
  - Our entrepreneurs will start a company in teams, pitching to a panel of judges and investors at the end of the summer. Classes are taught by MIT and Harvard Business School students and alumni, successful entrepreneurs, and professors from top tier schools. Teams are also given a network of mentors with a wealth of business and entrepreneurship experience to help guide and support them during the startup process.

- **MIT Summer Programs**
  - [http://mitadmissions.org/apply/prepare/summer](http://mitadmissions.org/apply/prepare/summer)

- **NASA Robotics - Summer Camps**
  - [http://robotics.nasa.gov/students/summer_camps.php](http://robotics.nasa.gov/students/summer_camps.php)
UMBC LEGO Robotics Summer Camp

The Summer LEGO Robotics Camp will introduce rising 5th and 6th grade children to building and programming robots using LEGO Mindstorms. Students will learn mechanical design, construction, programming and teamwork skills.

Engineering Innovation Summer Program at Johns Hopkins

Engineering Innovation is an exciting college-level summer program for motivated high school students with an aptitude in math and science and an interest in (or curiosity about) engineering.
