OUR PROGRAM

Graduate and undergraduate students from across the University of Maryland campus volunteer their time for tutoring

- Dental, Medical, Graduate, Law, Pharmacy, Social Work, UMBC

Subjects:

- Algebra I & II
- Trigonometry
- Geometry
- Calculus
- General science (biology, chemistry, physics)
- English/writing
- SAT prep
Established in 2000 by Renee Riddix-Hilliard (PharmD)

- Began as service project with 12 students from Patterson High School
- Other professional schools on campus were included by the following semester

Partnered with various organizations in the past

- Caroline Center
- Promise Heights

Now entering our 15th year!

QUESTIONS?
Please complete the survey at the end of the Parent Program and let us know…

• What you liked
• What information you **would have** liked to see
• What you would like to see next year/in the future
• How we can improve our program!

Thank you for your attendance and attention!
