

A Bridge to Academic Excellence

ABAE Tutoring

A Bridge to Academic Excellence (ABAE) is a student organization at the University of Maryland School of Pharmacy whose mission is to provide tutoring services for high school students in the Baltimore area.

Student volunteers from the Schools of Pharmacy, Dentistry, Law, Medicine, Nursing, Social Work, Graduate Studies at University of Maryland, Baltimore serve as ABAE tutors for grades 6-12.

Subjects include Algebra, English/Writing, Geometry, Biology, Chemistry, and Calculus. Tutoring takes place on Saturdays on the UMB campus and is free of charge to participants.

Calendar

Sessions are held on Saturdays during the academic year from 10am-noon at Pharmacy Hall (20 N. Pine St.). See calendar webpage for dates:

Goals of ABAE

To provide **academic support** to high school students

- To unite professional school organizations and the high school students so that they can **serve as mentors** for the students
- To develop a community outreach initiative in which students can actively participate in **giving back to the community**.

Tutoring Procedure

9:45am: Registration

10am: Tutoring Sessions begin on 2nd floor of Pharmacy Hall

12pm: Dismissal

Please plan to depart promptly at noon. Notify ABAE rep if you need to leave early.

Expectations

ABAE participants are expected to bring their class materials and/or homework. It is mandatory that **all students come prepared with homework and questions**. UMB tutors will submit a background check, minor code of conduct form, review and assist with homework with an individual or in groups. Electronics are permitted for schoolwork only.

Participants and tutors are expected to maintain a respectful and professional environment.

ABAE will not be on campus if BCPS/BCPSS is closed for inclement weather the Friday prior. Please stay home if you feel ill.
