Hello Everyone,

The UMB ISPOR Student Chapter will be holding a virtual seminar on “Use of Real-World Evidence During COVID” with presenter Dr. Blythe Adamson on December 4th at 12:00-1:00PM. To register, please use the link: [Click to register](#)

The virtual seminar will be an interview-style seminar, and therefore, we are putting together a list of questions to create an engaging conversation about the topic. If you would like to contribute questions for the interview, please use the link to the Google doc to add your questions: [Click to access Google doc](#)
