ABAE Program Policies

Please check all program policy expectations below indicating you understand and agree to the policies. If you are need assistance, please email abae@rx.umaryland.edu.

- Students are expected to arrive on time. Tutoring sessions begin promptly at 10am and end at noon.
- Students are expected to use their class materials and/or homework. It is mandatory that all students come prepared with homework and questions. The only exception permitted is for those taking SAT classes.
Students must work on homework assignments or problems provided by tutors during tutoring. ABAE is dedicated to student success and the only way to be successful is to have students learning and using their tutoring time wisely and productively.

Students are expected to be respectful to the tutors. Tutors are ALL volunteers -- donating their time and effort – this means that they are NOT paid.

Students may not leave the virtual classroom during the tutoring session. Students are expected to be in the virtual classroom for the duration of the tutoring session.

Students may not be disruptive to the virtual classroom environment.

ABAE has been approved by the Campus Recovery Group. Participants must adhere to the UMB face covering policy and maintain a physical distance of 3’ whenever possible. COVID-19 Visitor Guidance can be found here: www.umaryland.edu/coronavirus/content/campus-operations/covid-19-visitors-guidance.

FACE COVERING: “Face Covering” means a covering that fully covers a person’s nose and mouth, but is not a medical-grade mask. Medical-grade masks are acceptable face coverings, but are not required in non-clinical settings. Bandanas, gaiters, scarves, and masks with valves are not approved face coverings at UMB.
