University of Maryland
Student Society of Health-System Pharmacy

General Body Meeting
August 27, 2014
1:00 – 1:50 PM

What is ASHP?
• Mission
The mission of pharmacists is to help people achieve optimal health outcomes. ASHP helps its members achieve this mission by advocating and supporting the professional practice of pharmacists in hospitals, health systems, ambulatory care clinics, and other settings spanning the full spectrum of medication use. ASHP serves its members as their collective voice on issues related to medication use and public health.
• Residency Accreditation

What is SSHP?
• Student Chapter Mission:
  — Promote student awareness of pharmacy practice in health systems
  — Provide information to students about career directions in and credentials needed for pharmacy practice in health systems
  — Encourage
    • Membership and participation in ASHP and MSHP
    • Interaction among professional pharmacy organizations and with other professional schools in the UM campus
• Goals
  — Advancements, advocacy, & issues relating to hospital & health-system practice
  — Student involvement & interaction within local, state, & national entities
  — Opportunities for professional and clinical skills development
